

OFFSHORE CONNECTION

ROSHVEN

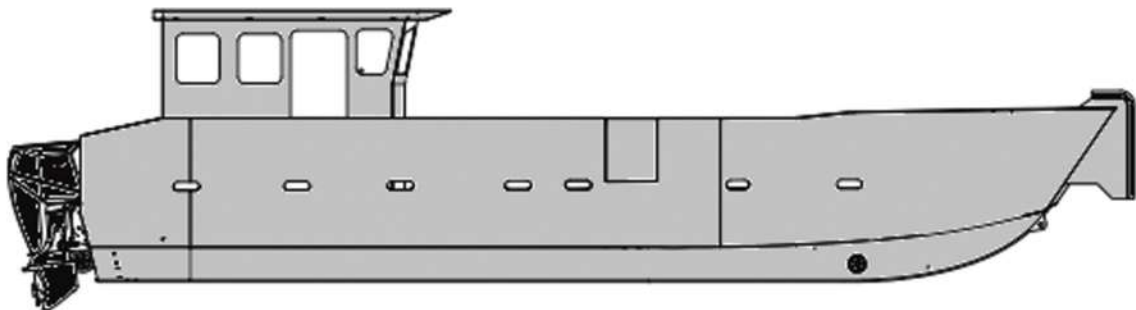

Roshven is a MS Boats landing Craft 12 XL. She is the wider model and has a capacity of 6 ton on the deck. The large deck area allows for bulky deck cargo or as a clear work platform. Ideal for cargo transfers, surveys, standby work and as a dive platform. The fully enclosed cabin allows for a safe and dry environment with heating. There is seating for 6 passengers in the spacious cabin. A work station for any survey or dive operation equipment. There is a toilet onboard. She is fuel efficient and diesel to ensure safety. The outboards, bow thruster and stern thruster allows for great manoeuvrability and operating in shallow areas. The propellers can be easily lifted from the water to ensure diver safety. Dive ladders on each side. A wide ramp for ease of getting vehicle or cargo on. The 1 ton deck crane makes her very versatile and a handy aid. The A frame makes for ease and safe deployment of equipment over the bow. The deck winch and capstan mounted in front of the wheel house.
